The Lies That Bind by Emily Giffin I am going to apologize to all you book lovers right this very minute. I read this as an ARC, and so I did not deplete my book-buying budget on this hot mess. The authors’ audacity in using 9/11 as a back-drop for this so-called romance was absurd and hurtful to those born before, say the year 1990. This book ...

Overall, *The Lies That Bind* takes all of the great elements that *The Liar Society* had and makes them something more. This was a marvelous read, and I would highly recommend it to readers looking for a good mystery/suspense story. Also, I appreciated that while there is a romance, the relationship is not the plot.

It’s revealed fairly early in the book that Jan is a liar, she lies about big things, she lies about inconsequential things. She’s aware of this, yet acts affronted when people don’t believe her. The book opens with Jan being shackled to a wall, her memory foggy. Then it flashes back to her arrival in Greece.

Praise for *The Liar Society*: ‘A page-turning, pearl-clutching mystery!’–Kimberly Derting, author of *The Body Finder* and *Desires of the Dead* ‘A book for mystery lovers everywhere...will suck you in and leave you hanging until the very end.’–RT Book Reviews Another Sister Gone–You Can’t Let Them Get Away With This Kate has heard of messages from beyond the grave, but she never expected to find one in a fortune cookie. Especially from her best friend, Grace—who’s supposed to be dead. At the elite Pemberly Brown Academy, nothing is as it seems. A popular girl has gone missing, and Kate owes it to Grace’s memory to find out what happened. But in a school ruled by secret societies, who can she trust? Definitely not Bradley (despite his hotness) – he’s one of them. Still, she may just have to get closer to him if she wants to get some answers.

‘A page-turning, pearl-clutching mystery!’ –Kimberly Derting, author of *The Body Finder* and *Desires of the Dead* ‘One killer novel.’ –Lee Nichols, author of the *Haunting Emma* series ‘The moment you finish, you’ll start writing your fan letter, begging for more.’ –Adele Griffin, National Book Award Finalist and author of *The Julian Game* and *Picture the Dead* Since when do the dead send emails? Kate Lowry’s best friend Grace died a year ago. So when she gets an email from her, Kate’s more than a little confused. To: KateLowry@pemberlybrown.edu From: Grace@pemberlybrown.edu Subject: (no subject) Kate, I’m here... sort of. Find Cameron. He knows. I shouldn’t be writing. Don’t tell. They’ll hurt you. Now Kate has no choice but to prove once and for all that Grace’s death was more than just a tragic accident. She teams up with a couple of knights-in-(not-so)-shining armor—the dangerously hot bad boy, Liam, and her lovestruck neighbor, Seth. But at their elite private school, there are secrets so big people will do anything to protect them—even if it means getting rid of anyone trying to solve a murder...

Praise for *The Liar Society*: ‘A page-turning, pearl-clutching mystery!’–Kimberly Derting, author of *The Body Finder* and *Desires of the Dead* ‘A book for mystery lovers everywhere...will suck you in and leave you hanging until the very end.’–RT Book Reviews Katie Lowry knows she could’ve stopped Alistair from doing something stupid if only she’d picked up the phone. Now she has to live with the guilt. She’s sick of the lies, sick of the secret societies that rule life at Pemberly Brown Academy. But there’s only one way to take them down: from the inside...

From a prize-winning and New York Times bestselling author comes a chilling novel of deception under the sun... Jan needs this. She’s flying to Crete to reunite with friends she met there five years ago and relive an idyllic vacation. Basking in the warmth of the sun, the azure sea, and the aura of antiquity, she can once again pretend—for a little while--that she belongs. Her ex-boyfriend Marcus will be among them, but even he doesn’t know the secrets she keeps hidden behind a veil of lies. None of them really know her, and that’s only part of the problem. Then again, how well does she know them? When Jan awakens in utter darkness, chained to a wall, a manacle around her wrist, her echoing screams only give her a sense of how small her cell is. As she desperately tries to reconstruct what happened and determine who is holding her prisoner, dread covers despair like a hand clamped over her mouth. Because, like the Minotaur in the labyrinth in Greek myth, her captor will be coming back for her, and all the lies will catch up to her...

NEW YORK TIMES BESTSELLER • In this irresistible novel from the author of *All We Ever Wanted and Something Borrowed*, a young woman falls hard for an impossibly perfect man before he disappears without a trace. . . . It’s 2 A.M. on a Saturday night in the spring of 2001, and twenty-eight-year-old Cecily Gardner sits alone in a dive bar in New York’s East Village, questioning her life. Feeling lonesome and homesick for the Midwest, she wonders if she’ll ever make it as a reporter in the big city—and whether she made a terrible mistake in breaking up with her longtime boyfriend, Matthew. As Cecily reaches for the phone to call him, she hears a guy on the barstool next to her say, “Don’t do it—you’ll regret it.” Something tells her to listen, and over the next several hours—and shots of tequila—the two forge an unlikely connection. That should be it, they both decide the next morning, as Cecily reminds herself of the perils of a rebound relationship. Moreover, their timing couldn’t be worse—Grant is preparing to quit his job and move overseas. Yet despite all their obstacles, they can’t seem to say goodbye, and for the first time in her carefully constructed life, Cecily follows her heart instead of her head. Then Grant disappears in the chaos of 9/11. Fearing the worst, Cecily spots his face on a missing-person poster, and realizes she is not the only one searching for him. Her investigative reporting instincts kick into action as she vows to discover the truth. But the questions pile up fast: How well did she really know Grant? Did he ever really love her? And is it possible to love a man who wasn’t who he seemed to be? *The Lies That Bind* is a mesmerizing and emotionally resonant exploration of the never-ending search for love and truth—in our relationships, our careers, and deep within our own hearts.

*Lies That Bind Us* is a dark contemporary romance that kicks off the gripping *Beautiful White Lies* series.

‘Jones’s sensational debut has the bones of a thriller but reads like literary fiction: lean, shrewd, and gratifyingly real.’–*Entertainment Weekly* When a woman conceals her sister’s death to claim their joint inheritance, her deception exposes a web of dangerous secrets in this addictive new thriller for fans of Megan Abbott, Gillian Flynn, and Paula Hawkins. An ID Book Club Selection Leslie Flores has the perfect life—a loving husband, a happy newborn, and a New Mexico home straight out of a magazine. She’s been the perfect daughter, too, taking care of her ailing father in his final days. But Leslie has a dark secret—and it’s an expensive secret to keep. When she discovers she won’t receive a penny of her inheritance unless she finds her estranged sister, Robin, she sets out to track her down. Instead, upon arriving at Robin’s apartment, Leslie discovers her body. Just as Leslie begins to panic, she meets a charismatic aspiring actress named Mary who bears a striking resemblance to Robin—and has every reason to leave her past behind. The two women make a bargain: Mary will impersonate Robin for a week in exchange for Robin’s half of the cash. Neither realizes how high the stakes will become when Mary takes a dead woman’s name. Even as Mary begins to suspect Leslie is hiding something, and Leslie realizes the stranger living in her house has secrets of her own, Robin’s wild, troubled legacy threatens to eclipse them both. Fans of Megan Abbott, Gillian Flynn, and Paula Hawkins will relish this darkly addictive portrait of the ties that bind and the secrets we all keep from one another.

A NATIONAL BESTSELLER “Exquisite and harrowing.” –*New York Times Book Review* “This electrifying, gorgeously written memoir will hold you captive until the last word.” –*People* NAMED A BEST FALL BOOK BY *People* • *Refinery29* • *Entertainment Weekly* • *BuzzFeed* • *NPR’s On Point* • *Town & Country* • *Real Simple* • *New York Post* • *Palm Beach Post* • *Toronto Star* • *Orange Country Register* • *Bustle* • *Bookish* • *BookPage* • *Kirkus* • *BBC Culture* Debutful A daughter’s tale of living in the thrall of her magnetic, complicated mother, and the chilling consequences of her complicity. On a hot July night on Cape Cod when Adrienne was fourteen, her mother, Malabar, woke her at midnight with five simple words that would set the course of both of their lives for years to come: Ben Souther just kissed me. Adrienne instantly became her mother’s confidante and helmpate, blossoming in the sudden light of her attention, and from then on, Malabar came to rely on her daughter to help orchestrate what would become an epic affair with her husband’s closest friend. The affair would have calamitous consequences for everyone involved, impacting Adrienne’s life in profound ways, driving her into a precarious marriage of her own, and then into a deep depression. Only years later will she find the strength to embrace her life—and her mother—on her own terms. *Wild Game* is a brilliant, timeless memoir about how the people close to us can break our hearts simply because they have access to them, and the lies we tell in order to justify the choices we make. It’s a remarkable story of resilience, a reminder that we need not be the parents our parents were to us.

A 2020 LOCUS AWARD FINALIST FOR BEST FIRST NOVEL Sharp, mainstream fantasy meets compelling thrills of investigative noir in *Magic for Liars*, a fantasy debut by rising star Sarah Gailey. Ivy Gamble was born without magic and never wanted it. Ivy Gamble is perfectly happy with her life – or at least, she’s perfectly fine. She doesn’t in any way wish she was like Tabitha, her estranged, gifted twin sister. Ivy Gamble is a liar. When a gruesome murder is discovered at The Osbourne Academy of Young Magics, where her estranged twin sister teaches Theoretical Magic, reluctant detective Ivy Gamble is pulled into the world of untold power and dangerous secrets. She will have to find a murderer and reclaim her sister—without losing herself. “An unmissable debut.”–Adrienne Celt, author of *Invitation to a Bonfire* At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

NATIONAL BESTSELLER The second heart-stopping suspense novel by international bestselling author Liz Nugent—filled with dark secrets, twisted relationships, and unexpected surprises. My husband did not mean to kill Annie Doyle, but the lying tramp deserved it. In 1980s Dublin, Lydia Fitzsimons seems to have the perfect life—wife of Andrew, a respected judge, and mistress of Avalon, the beautiful house where she grew up. Her pride and joy, however, is her only child, her son Laurence, to whom she is utterly, obsessively devoted. But her husband’s murder of Annie Doyle, accidental or not, sets into motion a dark downward spiral. No one knows what Lydia and Andrew were doing with a drug-addled prostitute late at night on a deserted stretch of the strand near Dublin, but they stuffed her body into the trunk of their car and buried it in their tidy suburban garden, hoping that will put the matter to rest. Annie was a junkie from the wrong side of the tracks; surely no one will miss her or care to find out what happened to her. Except that Annie has a sister. Her twin, Karen, who has fared much better in life, is desperate to find her. And when Karen crosses paths with Laurence, isolated and lonely, things begin to unravel. Laurence may be overweight and ungainly and bullied at school, but he’s more clever than he’s given credit for. He knows that something is very, very wrong in the Fitzsimons household—and he is determined to discover the truth...
