An antiquarian or antiquary (from the Latin: antiquarius, meaning pertaining to ancient times) is an aficionado or student of antiquities or things of the past. More specifically, the term is used for those who study history with particular attention to ancient artifacts, archaeological and historic sites, or historic archives and manuscripts. The essence of antiquarianism is a focus on the ...

In our post-modern age historians have less confidence in their ability to 'recover' the past with empirical certainty, but it is still possible to trace the influence of antiquarian thinking and methodology upon the historical discipline. For example, although historians from a social science background may not be accustomed to think of themselves as 'antiquarian' in spirit, they are perhaps as close as anyone today in the historical profession to the antiquarians of the past. They collect . . .
