Welcomed on publication as "brilliant, definitive, and a joy to teach from," The Norton Anthology of African American Literature was adopted at more than 1,275 colleges and universities worldwide. Now, the new Second Edition offers these highlights.

Welcomed on publication as "brilliant, definitive, and a joy to teach from," The Norton Anthology of African American Literature was adopted at more than 1,275 colleges and universities worldwide. Now, the new Second Edition offers these highlights.

Collaborating on The Norton Anthology of African American Literature, editors Henry Louis Gates Jr. and Nellie Y. McKay have compiled what may be the definitive collection of its kind. Organized chronologically, the massive work gathers writings from six periods of black history: slavery and freedom; Reconstruction; the Harlem Renaissance; Realism, Naturalism and Modernism; the Black Arts Movement and the period since the 1970s. The work begins with the vernacular tradition of spirituals, gospel and the blues; continues through work songs, jazz and rap; ranges through sermons and folktales; and embraces letters and journals, poetry, short fiction, novels, autobiography and drama.

A collection of poems from 1960 to the present highlights the political, social, economic, and personal struggles of African Americans, and features works from such poets as Gwendolyn Brooks, Rita Dove, and Major Jackson.

The most-trusted anthology for complete works, balanced selections, and helpful editorial apparatus, The Norton Anthology of American Literature features a cover-to-cover revision. The Ninth Edition introduces new General Editor Robert Levine and three new-generation editors who have reenergized the volume across the centuries. Fresh scholarship, new authors—with an emphasis on contemporary writers—new topical clusters, and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students.

Welcomed on publication as "brilliant, definitive, and a joy to teach from," The Norton Anthology of African American Literature was adopted at more than 1,275 colleges and universities worldwide. Now, the new Second Edition offers these highlights.

A collection of humorous quotes and writings of African-American women throughout history ranges from slave narrators to Toni Morrison and Whoopi Goldberg

Nellie Y. McKay (1930–2006) was a pivotal figure in contemporary American letters. The author of several books, McKay is best known for coediting the canon-making Norton Anthology of African American Literature with Henry Louis Gates Jr., which helped secure a place for the scholarly study of Black writing that had been ignored by white academia. However, there is more to McKay's life and legacy than her literary scholarship. After her passing, new details about McKay's life emerged, surprising everyone who knew her. Why did McKay choose to hide so many details of her past? Shanna Greene Benjamin examines McKay's path through the professoriate to learn about the strategies, sacrifices, and successes of contemporary Black women in the American academy. Benjamin shows that McKay's secrecy was a necessary tactic that a Black, working-class woman had to employ to succeed in the white-dominated space of the American English department. Using extensive archives and personal correspondence, Benjamin brings together McKay's private life and public work to expand how we think about Black literary history and the place of Black women in American culture.
