The Right-Brain Business Plan is the business You need to be very clear about your business: what you stand for, what you want to accomplish, and what you bring to the table. In this way, you can focus your energies wisely to help achieve your version of success.

---

The Right-Brain Business Plan: A Creative, Visual Map for ...

The basic premise is that "creatives" are right-brain dominant, non-linear, visually oriented, in contrast to those who are left-brain dominant, preferring order and logic. Of course, as Lee points out, in reality you need to use both sides of your brain, and "creativity and business go hand in hand beautifully."
