The Ultimate Hiker's Gear Guide: Tools and Techniques to ...

Supreme long-distance hiker Andrew Skurka—accomplished adventure athlete, speaker, guide, and writer—shares his knowledge in this essential guide to backpacking gear and skills. Skurka recounts what he's learned from more than 30,000 miles of long-distance hikes, including the Appalachian, Pacific Crest, and Continental Divide Trails, and the 4,700-mile Alaska-Yukon Expedition.

The Ultimate Hiker's Gear Guide, Second Edition: Tools and ...

The ultimate in the title is instead tightly coupled with the word hikers to mean, "this is a gear guide for people who are ultimate hikers". This difference of interpretation yields an entirely different book. There isn't too much of an emphasis on safety either.

The Ultimate Hiker's Gear Guide, Second Edition : Tools ...

The Ultimate Hiker's Gear Guide is not really a book about gear per se, as much as it is about the skills and knowledge that very experienced backpackers develop for planning trips and deciding what gear is appropriate and safe enough to bring.

The Ultimate Hiker's Gear Guide (Second Edition): Tools ...

Andrew Skurka's new book The Ultimate Hiker's Gear Guide will change the way how we sling a pack on our backs and

File Type PDF The Ultimate Hikers Gear Guide Tools

hoof it into the wild just as Fletcher's Complete Walker once did. Fletcher's first books recorded his monumental treks (The Thousand Mile Summer and The Man Who Walked Through Time) and these expeditions resulted in The Complete Walker.

Scoutmastercg.com*

For this reason I leapt at an opportunity to read the "Ultimate Hiker's Gear Guide" by Andrew Skurka. I figured can only benefit from the experience of someone who has several thousand more miles on the trail than me, and this assumption proves generally correct in the case of this book of "tools and techniques to hit the trail"

The Ultimate Hiker's Gear Guide.

Andrew Skurka has written The Ultimate Hiker's Gear Guide “from the perspective of an unapologetic Ultimate Hiker” which he defines as a “backpacker who simply loves to walk.”. And while he has written this book to be targeted at hikers who would like to be more like an Ultimate Hiker, this book is still very valuable (and personally recommended by myself) for beginner and intermediate hikers as well.
