Living in Halle after being Wolf for eight years has given her a new sense of peace, but another Wolf is out to make her life a living hell. As an Outcast she has no one to protect her... until she meets Alex. When Alex's cousin is left for dead and Tabby is threatened, it's up to Alex to keep his growing family safe. To give Tabby the loving home she needs he could be forced to give up the control he's worked so hard to obtain. If he does, someone could die.

Mr. Red Riding Hoode Steven Hoode has arrived at the Red Wolf Lodge to celebrate the wedding of his best friend to the man of his dreams. Graciela Mendoza is the Omega of the Poconos Pack... and Steve is her destined mate. He knows nothing of Pack life, so she wants to break things to him gently. But things never go the way you expect in life, and Steve accidentally sees the Pack shift, sending him running. Unfortunately for him, wolves love playing chase... Sorry, Charlie Charlie Lowe is going crazy. Why does her mate run from her? Is it the fact that she's a Lion to his Wolf? Her insane love affair with makeup? Or could it be her family connections that are driving her mate away? Ted Pedrozo loves his fiery Lioness with his whole being but mating the sister of the Leo is a big, hairy deal. He's terrified that the Leo will find him wanting, or worse-Charlie will. So what's a dork in wolf's clothing supposed to do when the perfect woman is his mate? Simple. He steers clear of her until she makes it impossible for him to do so.

There's only one way to win this game: break the rules. Halle Shifters Book 5 James "Barney" Barnwell is losing his ever-loving mind. Between the threat to the white shifters and a riddle he's been ordered to solve stands the woman who's been driving him crazy: Heather Allen, cousin to the white Fox. Barney can't concentrate on anything but getting a certain redhead under him in bed, let alone riddles. It takes all his strength not to bite her, but getting her scent on him could lead others to her, others that won't hesitate to put her cute little Hobbit ass in the ground. Heather will do anything she can to help Barney so long as the stubborn Bear bites her. Hell, at this point she'd take a playful nibble, but he's holding strong. Worse, he's got logic on his side. She agrees to his edict, but sets a time limit she's certain neither of them will be able to hold to. Despite his best efforts to protect her Heather is hurt while protecting her cousin from a mercenary attack. Barney rushes to her side and claims her, bringing her fully into his crazy world. With his mate's life in his hands, Barney has to solve the riddle and protect the white shifters before the enemy discovers that the Hunter has finally been caught by love.
