August 22, 2013 by Emily Ann. I just finished reading Georges Perec's 1965 novella, Things: A Story of the Sixties. I wasn't really planning on reading it, but I caught sight of it on my boyfriend's bookshelf sitting in between Perec's more well-known novel, Life: A User's Manual, and a bit of Poe. I had never read Perec before and was struck with the same cantankerous conviction that seems to always be following me around and striking me on the back of the head with hardback ...
