How many marketing messages do you think you see a day? Why do some stick with us more than others? Why do we all remember the Cadbury 's gorilla drummer or the Budweiser Frogs? What do they say about the brand? How will you communicate your own marketing messages just as successfully? In this textbook, John Egan draws on years of both industry and academic experience to explain the why as well as the how of marketing communications. It covers all the essential topics that are relevant to your marketing communications course in a relatable and easy-to-read style. ' Insight ' boxes provide insight into some of the latest industry practices, and with engaging examples ranging from HSBC to James Bond, to the Arab Spring and One Direction, this textbook will not only provide you with a solid foundation for working in ' marcoms ' ; it will make your study fun along the way. For those looking to get ahead of their classmates and other job candidates, the textbook includes coverage of topical issues such as new technologies, ethical marketing and the regulatory environment to help you consider some of the cutting edge debates for assignments and future employment. There is also a companion website with additional study materials to help you go one further and stay ahead of the pack: [study.sagepub.com/egan](http://study.sagepub.com/egan) This textbook is essential reading for all marketing communications courses at undergraduate and postgraduate levels as well as professional courses in Marketing.

The breakout star of Discovery 's hit automotive restoration show Fast N ' Loud takes readers on an entertaining ride through his wild life and behind the scenes of his hit show in this memoir and automotive handbook, revving with outrageous details and jaw-dropping stories, and injected with the quick-witted, foul-mouthed charm viewers love. " If we ' re gonna have fun, it better have a motor! " In Fast N ' Loud, Richard Rawlings pushes into high gear, sharing the story of his rise to success, his show, and the automotive know-how that has made him famous. He begins with his own story—how he went from flat broke to a seat at the table with some of history 's most iconic car guys. His road to the top is full of dangerous twists and hilarious turns, with a few precipitous cliffs in between, including getting shot defending his beloved 1965 Mustang fastback from carjackers, blowing out of town Fear-and-Loathing style, and picking up chicks and vagrants along the way. Rawlings then takes readers behind the scenes of Fast N ' Loud, the series, sharing details on everything from the toughest car to restore to the easiest, his favorite restorations, travel and war anecdotes, and the best and worst cars to make it to the small screen. He finishes with a handy guide for classic and antique car enthusiasts that includes insider tricks of the trade. Want to know how to find a Model-T in mint condition? Need a carburetor for your ' 73 Ford Mustang? Want to meet other ' 60s Porsche owners? The answers are all here.
