Wage Labour And Capital Value

Wage-Labour and Capital is based on a series of lectures Marx gave in 1847. This one is definitely more readable and understandable than Value, Price, and Profit, in my opinion, anyway, and you could kind of consider it Capital Lite. Marx's friend Frederick Engels wrote the introduction to this work, and it is very good on its own.

Amazon.com: Customer reviews: Wage-Labour and Capital and ...

Capitalism, founded on a principle of private ownership, has the owners of the means of production (factories, raw materials) dependant on wage labor to create profits. Modern economists do not accept the Labor Theory of Value as an explanation of prices, but that is not really the sense in which Marx intended the theory to be used.
