What Do All Christians Believe? For many people, words like doctrine and theology cause their eyes to glaze over, or they find them difficult to understand and struggle to see how they are relevant to daily life. But theology is far from boring—it is the study of God and should lead to awe and wonder as we better understand who God is and what he has done for us. In *Core Christianity*, author, pastor, and theologian Mike Horton tackles the essential and basic beliefs that all Christians share. What is "core" to the

Online Library Who Was Ruth

Christian faith? In addition to unpacking these beliefs in a way that is easy to understand, Horton shows why they matter to our lives today. This introduction to the basic doctrines of Christianity is a helpful guide by a respected theologian and a popular author, and it includes discussion questions for individual or group use. Core Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening in their understanding of what it means to be a follower of Jesus Christ.

Details the career of Supreme Court justice Ruth Bader Ginsburg, including her work for gender equality, her time with the ACLU, and her law career.

Focused Biblical Scholarship to Teach the Text The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding, teaching, and illustrating the text. The newest Old Testament release in this innovative commentary series is Kenneth C. Way's treatment of Judges and Ruth.

The Book of Ruth: A Story of Love and Redemption is published by Christian Daily Resources. It is a Daily Bible Reading Study of The Book of Ruth. The characters in "The Book of Ruth" deal with loss, lack, and romance. Through their many trials they learn to lean on God and His sovereign will for their lives. In The Book of Ruth, Ruth was unknown. She was born in a pagan land, but through her

Online Library Who Was Ruth

relationship with her mother-in-law Naomi she accepted God. When Naomi decided to go back to the Promised Land, Ruth insisted on going with her. Because of Ruth's decision to follow Naomi to the Promised Land, and to accept Naomi's God, Ruth ends up being a part of Jesus Christ's lineage. She has a book in the Bible named after her and her story has been told throughout the ages. Ruth found her identity in God. She surrendered her life to Him. On the other hand her sister-in-law Orpah decided to remain in her pagan land with her people and was never spoken of again. You never know what God has in store for you if you surrender your life to Him as Ruth did.

The biblical story of Ruth celebrates the power to begin life anew, to gather what has been scattered, to glean what one needs. In this original approach to understanding an ancient love story, Jennifer L. Koosed crafts a multifaceted portrait of the Old Testament character of Ruth and of the demanding agricultural world in which her story unfolds. Highlighting the most complex aspects of the book—the relationships Ruth has with her mother-in-law, Naomi; sister-in-law, Orpah; future husband, Boaz; and infant son, Obed—Koosed explores the use of pairings to define Ruth's aspirational fortitude. Koosed also touches on the narrative's questions of sexuality, kinship, and law as well as the metaphoric activities of harvest that serve to advance the plot and illuminate the social and geographic context of Ruth's tale. From the private world of women to the public world of men, Koosed guides readers through the book of Ruth's revealing glimpses into the sociology of the ancient Hebrew world. The study concludes with a discussion of the postbiblical fascination with Ruth and her later representations in a variety of literary and visual media. Koosed's approach is eclectic, employing a host of methodologies from philology and theology to literature, folklore, and feminism. Thoughtful of the interests of both scholarly

Online Library Who Was Ruth

and lay audiences, Koosed presents inviting and compelling new insights into one of the Old Testament's most enigmatic characters.

Western Palestine is extremely rich in Arabic inscriptions, whose dates range from as early as CE 150 until modern times. Most of the inscriptions date from the Islamic period, for under Islam the country gained particular religious and strategic importance, even though it made up only part of the larger province of Syria. This historical importance is clearly reflected in the hundreds of inscriptions, the texts of which cover a variety of topics: construction, dedication, religious endowments, epitaphs, Qur'anic texts, prayers and invocations, all now assembled in the *Corpus Inscriptionum Arabicarum Palaestinae* (CIAP). The CIAP follows the method established at the end of last century by Max van Berchem, namely, the studying of the Arabic inscriptions 'in context'. Van Berchem managed to publish two volumes of the inscriptions from Jerusalem: the CIAP covers the entire country. The inscriptions are arranged according to site, and are studied in their respective topographical, historical and cultural context. In this way the CIAP offers more than a survey of inscriptions: it represents the epigraphical angle of the geographical history of the Holy Land.

One in a series of twenty Old Testament verse-by-verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike.
