Whether students are writing brief papers or more complicated essays drawing on multiple sources, Writing and Revising can help.

In Upsetting Composition Commonplaces, Ian Barnard argues that composition still retains the bulk of instructional practices that were used in the decades before poststructuralist theory discredited them. While acknowledging that some of the foundational insights of poststructuralist theory can be difficult to translate to the classroom, Barnard upends several especially intransigent tenets that continue to influence the teaching of writing and how students are encouraged to understand writing. Using six major principles of writing classrooms and textbooks—clarity, intent, voice, ethnography, audience, and objectivity—Barnard looks at the implications of poststructuralist theory for pedagogy. While suggesting some evocative poststructuralist pedagogical practices, the author focuses on diagnosing the fault lines of composition's refusal of poststructuralism rather than on providing "solutions" in the form of teaching templates. Upsetting Composition Commonplaces addresses the need to more effectively engage in poststructuralist concepts in composition in an accessible and engaging voice that will advance the conversation about relations between the theory and teaching of writing.

Get the core knowledge of a prestigious MFA education without the tuition. Have you always wanted to get an MFA, but couldn't because of the cost, time commitment, or admission requirements? Well now you can fulfill that dream without having to devote tons of money or time. The Portable MFA gives you all of the essential information you would learn in the MFA program in one book. Covering fiction, memoirs, personal essays, magazine articles, poetry, and playwriting, this book provides you with: **•** Inspiration and tips on revision, stamina, and productivity **•** Clear instruction on the craft behind the art **•** Detailed reading lists to expand your literary horizons **•** Exercises to improve your writing endeavors By heeding the advice in The Portable MFA, you will gain the wisdom and experience of some of today's greatest teachers, all for just the price of a book.

Designed to mentor writers at all levels, from beginning to quite advanced, The Writer's Portable Mentor offers a wealth of insight and crafting models from the author's twenty-plus years of teaching and creative thought. The book provides tools for structuring a book, story, or essay. It trains writers in observation and in developing a poet's ear for sound in prose. It scrutinizes the sentence strategies of the masters and offers advice on how to publish. This second edition is updated to account for changes in the publishing industry and provides hundreds of new craft models to inspire, guide, and develop every writer's work.

This ebook has been updated to provide you with the latest guidance on documenting sources in MLA style and follows the guidelines set forth in the MLA Handbook, 9th edition (April 2021). Literature: A Portable Anthology features nearly 250 literary selections with thorough coverage of reading and writing about literature, all at an affordable price.

Essential passages from the works of four "fathers of history"—Herodotus's History, Thucydides' History of the Peloponnesian War, Xenophon's Anabasis, and Polybius's Histories.
