Zero Degree - Charu Nivedita - Complete Review

Charu Nivedita (born 18 December 1953) is a postmodern, transgressive Tamil writer, based in Chennai, India. There is an invisible ban on his writings in the Tamil milieu, whereas he is widely translated into Malayalam in nearby Kerala. Since his writings are transgressive in nature, he is branded as a pornographic writer and disliked by many.

Charu Nivedita Archives - ZERODEGREEPUBLISHING

Charu Nivedita's novel Zero Degree was first published in Tamil in 1998 and it was translated into English by Pritham K. Chakravarthy and Rakesh Khanna a decade later in 2008. It was published by Blaft publications.

Charu Nivedita

Charu Nivedita Zero Degree Tamil Pdf 3,7/5 6475votes. The author by telling the story reaches the zero Degree state where thought are frozen, and sure will make the readers too. I like the the story Narrative, the narration in Charu Novels always will be related to the theme of the Novel. As Charu Nivedita spews his critique, or a disguised critique of magic realism that is undergoing an existential crisis it gets a wee bit complicated here one witnesses the throes of one literary genre ...

With its mad patchwork of phone sex conversations, nightmarish torture scenes, tender love poems, numerology, mythology, and compulsive name-dropping of Latin American intellectuals, Charu Nivedita's novel Zero Degree stands out as a groundbreaking work of South Indian transgressive fiction that unflinchingly probes the deepest psychic wounds of humanity. "Zero Degree takes you apart and allows you to rearrange yourself as you please."

Udhaya is a virile hedonist, an angsty writer, a discriminating connoisseur, a reverent francophile and an abrasive critic, Time-tested, seasoned and experienced, he transports the reader to the rustic streets of Thanjavur, the buzzing locality of Mylapore, the boondocks of Delhi, the most engaging historical whereabouts of France, Thailand and Morocco, and (quite often) his beloved's bedroom with uncensored personal anecdotes. unabashedly raw, undeniably true to life and pluckily critical, Marginal Man anatomizes the personalities and the sexual nature of its vast and curious cast and the eidons of multiple societies with a fine scalpel.

Dara Shukoh was the heir-apparent to the Mughal throne in 1659, when he was executed by his brother Aurangzeb. Today Dara is lionized in South Asia, while Aurangzeb, who presided over the beginnings of imperial disintegration, is scorned. Supriya Gandhi's nuanced biography asks whether the story really would have been different with Dara in power.

Fiction. South Asia Studies. Selected and translated from the Tamil by Pritham Chakravarthy. Edited by Rakesh Khanna. New Edition. The follow-up to 2008's successful first collection featuring stories by Indra Soundar Rajan, Jeyaraj, Pushpa Thangadorai, Rajesh Kumar, Indumathi, M.K.Narayanan, and Resakee. A young woman's fascination with blue films leads to a bizarre murder! A bloodline of debauched maharajas falls prey to an evil curse! A beautiful girl uses karate to retrieve a stolen idol! Seven thrilling tales from seven Indian and Singaporean masters of action, suspense, and horror!

A unique anthology of writing on Indian fiction. This book is the first of its kind: 50 essays by 50 writers who thought so passionately of their favourite book that they leapt to the task of representing it here. Within these pages, Siddharth Chowdhury celebrates Upamanyu Chatterjee as 'a bona fide home-grown rockstar' and Anita Roy quotes David Godwin's description of *The God of Small Things* as 'a shot of heroin in the arm'. They are all celebrating moments of rupture in literary history. Not all of these essays may convince, or convince equally: some very humbly and modestly focus on what the work offers, without making any worldly claims of it being an 'Indian classic' or 'one of the top fifty'. But each of these essayists, several being novelists themselves, is fashioning their argument in a sarcophagus of their love of this book, not really caring who else will be at this party. And who can resist the beauty of such passionate claims?

Juan Gómez-Jurado has created a true masterpiece. *The Moses Expedition* is a brilliant thriller—sharp, suspenseful, and engrossing—(Brad Thor, author of *Code of Conduct*). After fifty years in hiding, the Nazi war criminal known as the Butcher of Spiegelgrund has finally been tracked down by Father Anthony Fowler, a CIA operative and a member of the Vatican's secret service. He wants something from the Butcher—a candle covered in filigree gold that was stolen from a Jewish family many years before. But it isn't the gold Fowler is after. As Fowler holds a flame to the wax, the missing fragment of an ancient map that uncovers the location of the Ten Commandments given to Moses is revealed. Soon Fowler is involved in an expedition to Jordan set up by a reclusive billionaire. But there is a traitor in the group who has ties to terrorist organizations back in the United States, and who is patiently awaiting the moment to strike. From wartime Vienna to terrorist cells in New York and a lost valley in Jordan, *The Moses Expedition* is a thrilling read about a quest for power and the secrets of an ancient world.

Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British - details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

With new possibilities in storytelling. *The Final Solitude* exposes the injustice that prevailed during Emperor Aurangzeb's rule in a fictional small kingdom in eastern India, called satgargh. Interspersed with fantastical tales, this allegorical novel brings to light the torment and the trouble people faced
